Mr. E. W. Rice, Jr.,
General Electric Co.,
Schenectady, N.Y.

Dear Mr. Rice:

I received your letter of
October 30th, and I am glad that you
appreciate my position.

Kennelly explained Heaviside
to me. Otherwise I never would have
understood him. If I had undertaken
to make a lot of statements about the
work of Steinmetz when I never could
understand it, it would make me a
fakir.

Yours very truly,
